

Jasper County Community Unit School District #1

District Vision Statement

Working together - pursuing excellence.

District Mission Statement

Through education and example, the JCCU #1, in an active partnership with parents and community, will provide a quality education in a caring and safe environment in which all students are empowered to reach their potential and become productive citizens in a global society.

District Goals

- The District scores on state assessment will show an annual increase in the percentage of students that meets and/or exceeds in math and reading in grades 3-8, 11, resulting in each building and district making Adequate Yearly Progress (AYP).
- By school year 2012-2013 the District will have actively recruited and retained a greater percentage of highly qualified individuals that have multiple certificates/qualifications from school year 2008-2009.
- The District will, during school years 2009-2010 through 2012-2013, build a strong School-Home-Community partnership through clear two-way communications because that relationship is key to the success of all students and stakeholders.
- The District will, by school year 2011-2012, provide, maintain, and increase the opportunity for students to interact with technology.
- The District will identify the current demographic status and its impact on students by July 1, 2010.
- The District will identify the current use of building space to best meet the needs of students by July 1, 2010.
