*First Full Day Student Attendance

Principal's Message

BY: Mr. Travis Wyatt

We will quickly be ending the 2010-2011 school year and with this in mind there are a few items you may need to hear about or be reminded of:

1) It is always greatly appreciated to take care of all bills before the end of the school year.

2) If your child takes medication at school, you (the parent) will need to pick it up by June 3rd, or it will be properly disposed.

3) Finally, the registration for the 2011-2012 school year will be August 10th (9:00am to 5:00pm) and August 11th (11:30am to 7:00pm) at NCHS Cafeteria. Automated registration for 1st – 8th grades will be utilized.

It has truly been a Tremendous Year. Congratulations to the JCJH graduating class of 2011; Best Wishes!

Hope everyone has a Great Summer!

Mrs. Chapman Reports...

My class will be participating in demonstrations during the week of May 9-13th. Students will teach or inform the other students how to do something or present some other type of information. I am always amazed at the presentations of the students. They are so interesting!

The following week we will be having what I call "Talent Show". Every student is invited to share a special talent with the class. We have singing, musical instruments, drama, poetry, etc. I will also look forward to this opportunity for our students to shine! As our year together winds down, I would like to tell the students and their parents what a great year we have had and that I am amazed at this group's progress! I wish them the best of luck in seventh grade.
